4 Picnic area with wheelchair accessible picnic table

Potential Future Phases

Existing Gravel Road with Potential for Multi-Use All Persons Trail

5 Potential for River overlook area with bench

6 Potential for gathering area with wheelchair accessible picnic tables and accessible restroom

Sailor Bar All Persons Trail Vision Map

This vision map has been created by the Sacramento Audubon Society and is solely intended as a tool to obtain input from Sacramento County and local communities regarding possible future trail features with the park. The plan is not endorsed by the County, but will hopefully help direct future improvement concepts.
